RE: Mills Brothers Masonry Contracting, LLC
13894 Bulverde Road #2
San Antonio, TX 78247

To Whom It May Concern:

Mills Brothers Masonry completed the projects CVS Pharmacy #2263 and The Shops at Fossil Ridge in San Antonio, Texas for us in 2008. Their work was always completed timely and professionally with safety as a constant priority. We received no notices of payment problems from their suppliers and would rate their customer service very high. We will continue to have Mills Brothers Masonry on our bid lists for all future work in the area.

Sincerely,

A handwritten signature in cursive script that reads "Sterling King".

Sterling King
Project Manager
